

Rounded CD Storage Case Set

Set of three transparent light brown CD cases feature a rounded design. Each case includes a hinged lid and internal dividers for organizing CDs and protecting them from damage.

Product Overview

Organized Protection for Your Collection

This set of three rounded CD storage cases offers a practical solution for organizing and protecting your media collection. Featuring a durable plastic construction, these cases effectively guard discs against dust, scratches, and damage. With an elegant transparent light brown design and internal dividers, they are perfect for both secure home storage and convenient transportation.
