Product Overview

High-Performance Fuel and Oil Hose

This professional-grade fuel and oil hose is engineered for demanding automotive and industrial fluid transfer applications. Built to strict SAE standards, it offers reliable performance and exceptional durability under pressure. Its robust construction ensures resistance to fuel and oil degradation, making it an ideal choice for critical automotive fluid systems.

Technical Specifications

Rated Pressure

2 MPa

Max Pressure

Size Specification

SAE 9/16" (14mm)

Manufacturing Origin

UK

Compatibility

Supported Vehicle Makes

Honda, Toyota, Nissan, Mazda, Mitsubishi, Isuzu, Subaru, Suzuki, Audi, Skoda, Benz, BMW, Peugeot, Fiat, Volkswagen, Renault, Opel, Volvo, Citroen, Ford, Buick, Chrysler, Jeep, Chevrolet, GM, Dodge, Kia, Hyundai, Daewoo

Service & Quality

Quality Certifications

IATF 16949

Service Capabilities

- OEM Service
- ODM Service
- Customized Packaging
- Production based on samples
- Production based on drawings
