

Salon Shampoo Bowl and Reclining Chair Unit

Ergonomically designed salon shampoo bowl and chair unit featuring a reclining chair with padded seat and backrest for client comfort. The unit includes a deep, durable shampoo bowl with adjustable sprayer and drainage system.

Product Overview

Professional Salon Comfort

This premium salon shampoo bowl and reclining chair unit is engineered for both client comfort and operational efficiency in a professional setting. Featuring a high-quality, deep shampoo basin paired with an ergonomic reclining seat, it ensures a relaxing experience for clients during wash treatments. The unit is built upon a heavy-duty, stable foundation designed to withstand the rigors of daily use in high-traffic salons.
