

Salon Styling Chair with Hydraulic Lift

This salon styling chair features a round, cushioned seat set within a glossy, semi-spherical shell. It is mounted on a chrome hydraulic lift and a crescent-shaped base, providing height adjustment and 360-degree swivel.

Product Overview

Professional Salon Styling Chair

This modern styling chair is designed to combine aesthetic appeal with functional versatility, making it an ideal choice for high-end hair salons and beauty parlors. Featuring a distinctive glossy red semi-spherical shell and a comfortable black cushioned seat, it provides a striking visual element for any salon interior. The chair is engineered for professional use, incorporating a durable chrome hydraulic lift system and a stable crescent-shaped base to ensure both reliability and ease of movement during treatments.
