

Santa Claus Face Cake Pan

This non-stick cake pan is shaped like Santa Claus's face. It is ideal for baking festive holiday cakes and desserts with detailed facial features.

Product Overview

Festive Holiday Baking Essential

This Santa Claus face cake pan is designed to bring a festive touch to any holiday dessert menu. Crafted to produce detailed facial features including the hat, eyes, nose, and beard, it ensures consistent and professional-looking results. The durable construction promotes even heat distribution for perfect baking, while the non-stick surface guarantees easy release and cleanup.
