

Saudi Arabia SASO Standard Power Cord

Suitable for electric appliances requiring SASO standard compliance. This power cord features a three-pin plug for Saudi Arabia power outlets.

Product Overview

High-Quality SASO Certified Power Solution

This three-pin power cord is engineered specifically to meet the Saudi Arabian market requirements, adhering to the SASO 443/2203 standards. Featuring a robust UK-style plug design, it ensures reliable connectivity for a wide range of electrical appliances and equipment. Built for safety and performance, this cable supports standard voltage requirements to provide a secure power connection.
