

Screwdriver Set with Yellow Textured Handles

This set features six screwdrivers with yellow, textured handles. The screwdrivers have silver shafts and black plastic hangers at the top.

Product Overview

Professional Screwdriver Set

This versatile screwdriver set is designed for professional use, featuring six distinct sizes to handle a variety of fastening tasks. Each tool is engineered with a high-visibility yellow textured handle to ensure a firm, non-slip grip during operation. The robust design includes durable silver shafts and convenient black hanger tops for organized storage in any workshop environment.
