

Seafood Cracker and Pick Set

This set includes both a seafood cracker and a pick. These tools are designed for cracking shells and extracting meat from various types of seafood.

Overview

Reliable 90cc Commuter Motorcycle

This 90cc motorcycle is designed for efficiency and durability, featuring a robust single-cylinder, air-cooled engine. With its 4-speed manual transmission and dual-start system, it offers versatile handling for daily commuting needs. The sturdy frame and reliable drum braking system ensure a safe and comfortable ride for both urban and suburban environments.
