

Self-Adhesive Clear Plastic Sealing Bags

These clear self-adhesive sealing bags are ideal for packaging various items. Made from durable, transparent plastic, they provide excellent clarity for showcasing the contents.

Product Overview

Versatile Transparent Sealing Solutions

These self-adhesive clear plastic bags provide a professional and secure packaging solution for a wide range of retail, storage, and shipping needs. Engineered from high-clarity, durable plastic, they offer excellent visibility of the contents while protecting them from dust and moisture. The integrated self-adhesive strip ensures a rapid and reliable closure, making them an efficient choice for high-volume packaging environments.

Technical Specifications

Closure Mechanism	Self-adhesive strip
