

Silicon Carbide Waterproof Abrasive Paper

This silicon carbide waterproof abrasive paper is suitable for sanding and finishing applications. It is designed for use on wood, metal, plastic, and painted surfaces.

Product Overview

High-Performance Abrasive Solution

This Silicon Carbide Waterproof Abrasive Paper is engineered for professional sanding and finishing applications. Designed for versatility, it performs effectively on wood, metal, plastic, and painted surfaces. The durable backing material resists tearing, ensuring extended use for both hand and machine sanding tasks.

Technical Specifications

Abrasive Material	Silicon Carbide
Waterproof	Yes

Usage & Applications

Sanding Methods

- Hand Sanding
- Machine Sanding

Compatible Materials	Wood, Metal, Plastic, Painted Surfaces
----------------------	--

Performance Features

Key Benefits

Durable Backing • Consistent Scratch Pattern • Long-lasting Performance • Tear Resistant
