

Silver Electric Step-Through Scooter with Storage

This electric scooter has a step-through frame and comes equipped with a rear storage box. It features front disc brakes, lights, mirrors and a license plate holder.

Overview

Professional Electric Mobility

This silver electric step-through scooter is designed for efficient urban commuting and delivery tasks. Featuring a robust step-through frame, it offers easy accessibility for riders, while the integrated rear storage box provides secure capacity for personal items or small cargo. With safety features like front disc brakes and full lighting, this scooter is a practical solution for professional or personal transport needs.
