

Single-Cylinder Diesel Engine with Headlight

This single-cylinder diesel engine features a robust construction with a blue and silver finish. Equipped with a headlight and air filter, it delivers reliable power for industrial machinery.

Product Overview

Industrial Single-Cylinder Diesel Engine

This robust single-cylinder diesel engine is engineered for reliable power delivery in demanding industrial environments. Featuring an integrated headlight, this unit is well-suited for heavy-duty machinery and versatile field applications. Its durable construction ensures longevity and consistent performance across a wide range of operational tasks.

Technical Specifications

Surface Finish

- Blue-painted upper section
- Silver-finished lower section

Engine Type	Single-cylinder diesel
Key Features	Headlight Equipped, Air Filter, Industrial Grade, Robust Construction
