

Single Lever Basin Mixer Tap

This single lever basin mixer tap is made from durable materials and has a polished chrome finish. It features a smooth, ergonomic lever for precise temperature and flow control.

Overview

Professional Basin Mixer

This single lever washbasin mixer faucet is designed for reliability and ease of use in professional environments. Constructed from durable materials and finished with a high-quality polished chrome, it offers both longevity and a sleek aesthetic. The ergonomic lever design ensures precise control over water temperature and flow, making it an ideal choice for standard washbasin installations.
