

## Six-Blade Ceiling Fan with Light

This ceiling fan provides air circulation for indoor spaces. It features six blades and an integrated light fixture with a frosted glass shade.

### Product Overview

#### Elegant Six-Blade Ceiling Fan with Integrated Lighting

This sophisticated ceiling fan combines functionality with aesthetic appeal, featuring a robust six-blade design and an integrated light fixture. The brass-colored motor housing and dark-toned blades provide a classic, refined look suitable for professional and residential interiors. Equipped with a frosted glass shade, this unit offers both air circulation and ambient lighting, controlled conveniently via pull chains.
