Product Overview

Smart Health Monitoring Solution

This smart body composition scale offers a comprehensive health tracking experience using advanced BIA biometric technology and a 4-sensor high-precision system. Designed for the modern home, it features a sleek 5mm tempered glass platform and a clear LED display for immediate weight readings. With seamless Bluetooth connectivity via the Tuya platform, users can track over 13 essential health metrics and visualize long-term trends through a dedicated mobile app.

Key Performance Metrics

Performance Highlights

180 kg

Max Capacity

100 g

Graduation

5 mm

Glass Thickness

13

Health Indicators

Body Composition Tracking

Comprehensive health tracking with Tuya Smart Life App integration and BIA biometric technology.

App-Tracked Metrics

- Body Weight
- BMI (Body Mass Index)
- Body Fat Percentage
- Water Content %
- Muscle Mass
- KCAL (Basal Metabolism)
- Bone Mass
- Defatted Body Weight
- Visceral Fat Grade
- Protein
- Physical Age

Technical Specifications

Physical Dimensions

Feature	Specification
Dimensions	280 x 280 x 22 mm
Platform Material	Tempered Glass
Display Type	LED (28mm segment height)
Sensor Type	4 Precision Strain Gauge Sensors
Power Source	3 x AAA Batteries (Included)

Supported Units	kg / lb / st.lb
-----------------	-----------------

Smart Features

Smart Capabilities	Bluetooth Connectivity, Tuya Smart Solution, Auto-Step-On, Auto-Off, Multi-User Support, Trend Curve Lines, iOS & Android Compatible
--------------------	--

Safety & Indicators

Operational Alerts

Overload Indication • Low Battery Indication • Auto-Zero • Ergonomic Rounded Corners
