

# Soundproof Weatherproof Diesel Generator Set

This soundproof diesel generator set is powered by a Cummins engine. It features a heavy-duty fuel tank, a mine-spec skid base, and a canopy made of galvanized sheet metal.

## ADDITIONAL IMAGES

## Product Overview

### Industrial Soundproof Diesel Generator

This soundproof and weatherproof generator is engineered for reliable performance in demanding industrial and commercial environments. Equipped with a high-quality engine, the unit features a robust, powder-coated galvanized canopy designed for maximum durability and corrosion resistance. Its advanced airflow design ensures optimal performance during both prime and emergency standby operations.

## Technical Specifications

### Operational Performance

**50 Hz**

Frequency

**1500 RPM**

Speed

**415 V**

Voltage

Engine Powered By Cummins 6BT5.9-G2

Phase Configuration 3-phase

## Construction & Design

Canopy Material Galvanized sheet metal with outdoor powder coating

Base and Mobility Mine Spec Skid, Fork Pockets, Top Lifting Points, Eyelets

## Fuel System

Fuel Tank Design 24-hour double-bunded, removable

## Control & Safety

### Safety Protections

- Fuel level alarm
- MCCB circuit breaker
- External earth strap on canopy doors
- Lockable external fuel filler
- Environmental-friendly bunded base

### Controller

DSE 7320 AMF

## Certifications

### Certifications

CE • ISO
