

Spherical Outdoor Garden Light

This outdoor garden light features a spherical white diffuser. Mounted on a black cast metal pole, it provides ambient illumination for pathways and gardens.

Product Overview

Elegant Outdoor Illumination

The Spherical Outdoor Garden Light provides sophisticated ambient illumination for pathways, gardens, and various landscape features. Designed with a classic spherical white diffuser mounted on a decorative black cast metal pole, it blends aesthetic appeal with functional lighting. Its weather-resistant construction ensures durability and reliable performance in diverse outdoor environments, making it an ideal choice for both residential and commercial applications.
