

# Square Anti-Glare DIY Spotlight

This DIY spotlight features a square frame and anti-glare technology. It provides focused illumination for residential and commercial applications.

## ADDITIONAL IMAGES

## Product Overview

### Modern Anti-Glare Illumination

This square recessed spotlight features a sophisticated anti-glare design, making it an ideal choice for both residential and commercial environments. Engineered with a durable aluminum heat sink for efficient thermal management, it ensures a long lifespan and consistent performance. The sleek, modern frame integrates seamlessly into ceilings, while the honeycomb structure minimizes eye strain by providing a focused, comfortable beam of light.

## Technical Specifications

### Beam Angle Options

- 15°
- 24°
- 38°
- 60°

Light Source: COB (Chip on Board) LED

Luminous Efficiency: 80 Lm/W

Color Temperature (CCT): 3000K, 4000K, 6500K

## Model Variants
