

Square Electrical Exhaust Fan with Plastic Grill

This electrical exhaust fan is designed for ventilation purposes. The fan features a white plastic grill with horizontal slats on the front, providing safety and airflow.

Product Overview

Efficient Ventilation Solution

This square electrical exhaust fan is designed to effectively remove stale air, odors, and moisture from enclosed spaces. Featuring a durable white plastic grill with horizontal slats, it balances safety with optimal airflow. Its compact design and integrated mounting bracket make it a reliable choice for maintaining a healthier and more comfortable environment in various settings.
