Product Overview

Versatile and Robust Illumination

This high-performance square LED truck light is engineered for demanding industrial and automotive environments, featuring a durable aluminum housing and specialized PMMA lens. With dual-intensity beam options, it provides optimal visibility through 900lm low beam and 1300lm high beam settings. Designed for long-term reliability, it offers an impressive lifespan of 50,000 hours and high-temperature resistance.

Technical Specifications

Performance Metrics

24 W

Low Beam Power

40 W

High Beam Power

6500 K

Color Temperature

50000 hours

Lifespan

Operating Parameters

Parameter	Specification
Voltage	DC 12-36V
Temperature Range	-40 to 80°C
IP Rating	IP67

Physical Attributes

Dimensions & Construction

- Dimensions: 197 x 140 x 72mm
- Material: Aluminum Housing, PC Cover, PMMA Lens
- Appearance Colors: Black, White, Silver

Available Finishes

Black • White • Silver
