

Square Metal Baking Pan with Handles

This square baking pan is made of durable metal and features a non-stick interior. It is equipped with handles for easy handling and is suitable for baking cakes, brownies, or other similar items.

Product Overview

Professional Baking Performance

This square metal baking pan is designed for consistent heat distribution, making it an essential tool for baking cakes, brownies, and other baked goods. Featuring a smooth, non-stick interior, it ensures easy food release and effortless cleanup after every use. The integrated handles on both sides provide a secure grip, allowing for safe and convenient transport from the oven to the cooling rack.
