

Square Ventilation Exhaust Fan

This square exhaust fan is designed for ventilation purposes. Featuring a five-blade propeller, it is suitable for use in kitchens, bathrooms, or any area requiring enhanced ventilation.

Product Overview

Efficient Ventilation Solution

This blue, square-framed exhaust fan is engineered for effective air extraction and circulation. Featuring a robust five-blade propeller design, it is built for durability and consistent performance. It serves as an ideal ventilation solution for residential spaces, including kitchens and bathrooms, ensuring improved air quality.

Technical Specifications

Product Category

Electrical Appliances • Air Conditioners & Ventilation

Design Type	Square-framed exhaust fan
Blade Configuration	5 blades
Recommended Applications	Kitchen, Bathroom, General Ventilation
