Overview

Smart Kitchen Ventilation

This AI-powered range hood offers advanced ventilation capabilities, featuring both voice control and remote operation for a hands-free kitchen experience. Constructed from durable stainless steel, it provides a sleek, modern aesthetic suitable for contemporary kitchen environments. The integrated auto-clean function ensures simplified maintenance and consistent performance over time.

Performance Metrics

Suction Capacity

19 m³/min

Suction Capacity

Wind Pressure	280 Pa
Maximum Static Pressure	380 Pa
Total Pressure Efficiency	23 %

Technical Specifications

Energy Efficiency Class

Class A

Model Number	CXW-280-F1817(B)
Motor Power	280 W
Noise Level	70 dB(A)
Dimensions (L*W*H)	895 x 695 x 465 mm

Features

Control Methods	Voice Control, Remote Control
Maintenance Features	Auto-Clean Function
