

Stainless Steel Outdoor Gas BBQ Grill

This gas BBQ grill is constructed from durable stainless steel and designed for grilling. It features a spacious cooking area with multiple burners, a built-in thermometer, side shelves, a cabinet base, and casters.

Overview

Professional Grade Outdoor Grilling

This stainless steel outdoor gas BBQ grill is engineered for high-performance cooking and durability. Featuring a robust 430-grade stainless steel construction and a double-layer hood, it provides excellent heat retention for consistent results. With versatile burner options including main, infrared, and optional side burners, this unit is designed to meet the demands of serious grilling enthusiasts.
