

Standing Garment Steamer with Adjustable Height

This garment steamer efficiently removes wrinkles from clothing and fabrics. It includes a high-capacity water tank, adjustable telescopic pole, and attachments for different fabric types.

Product Overview

Professional Garment Care Solution

This standing garment steamer is engineered for efficient and convenient wrinkle removal across a wide range of clothing and fabrics. Equipped with a high-capacity water tank, it supports extended steaming sessions without frequent refills. The inclusion of a telescopic pole offers adjustable height for ergonomic use, while the integrated rolling casters ensure effortless mobility and storage.
