

Standing Garment Steamer with Adjustable Telescopic Pole

This standing garment steamer features an adjustable telescopic pole and folding clothes rack. It efficiently removes wrinkles from clothing with a fast steam outlet.

Product Overview

Efficient Garment Care

This standing garment steamer is designed to provide a convenient and efficient solution for removing wrinkles from various clothing types. Featuring an adjustable telescopic pole and a swivel hanger, it allows for easy steaming without the need for an ironing board. The unit is equipped with a reliable base-mounted heating system, making it an ideal tool for refreshing garments quickly and safely.
