

Standing Pedestal Fan with Adjustable Height

This standing pedestal fan provides cooling and ventilation. It features an adjustable height pole and a caged fan head with multiple blades for efficient air circulation.

Product Overview

Efficient Air Circulation

This standing pedestal fan is designed to provide reliable cooling and ventilation for various indoor environments. Featuring an adjustable height pole and a stable circular base, it offers versatile placement options and customizable airflow direction. The multi-blade fan head is protected by a safety cage, ensuring both performance and user safety during operation.
