

Standing Pedestal Fan with Wire Cage

This standing fan provides airflow and ventilation in indoor environments. It features a circular fan head enclosed in a wire cage, mounted on a slender pole with a base.

Product Overview

Professional Standing Pedestal Fan

This standing pedestal fan is designed to provide reliable airflow and ventilation for indoor environments. Featuring a robust circular fan head protected by a durable wire cage, it ensures safety while maintaining optimal performance. The unit is mounted on an adjustable slender pole connected to a stable base, making it a functional and space-efficient solution for commercial or industrial workspaces.
