

Steel Frame Tricycle with Baskets

This tricycle features a sturdy steel frame for stability and ease of use. It is equipped with a front basket for carrying items and a rear basket for additional storage.

Product Overview

Rugged Steel Frame Tricycle

This durable tricycle is engineered with a high-strength steel frame to ensure maximum stability and long-lasting performance. Featuring both a front and rear basket, it provides practical storage solutions for light transportation or recreational tasks. Designed with user comfort and ease of maneuverability in mind, it is an excellent choice for efficient short-distance utility.
