

Steel Garden Hose Reel Cart with Pneumatic Tires

This hose reel cart is designed for garden and landscaping needs, making hose storage easy. It features a steel frame with a powder-coated finish and pneumatic tires for smooth maneuverability.

Product Overview

Robust Garden Hose Management

This heavy-duty garden hose reel cart is engineered for efficiency and durability in demanding environments. Featuring a powder-coated tubular steel frame and pneumatic tires, it ensures smooth maneuverability across diverse terrains. The integrated storage basket and included 6-foot leader hose provide a comprehensive solution for organized hose storage and deployment.
