

# Steel Measuring Tape with Auto-Lock

This steel measuring tape features an auto-lock mechanism for convenient and safe operation. It has a 5-meter (16-foot) length and a 19mm width, making it suitable for various measurement applications.

## Product Overview

### Professional Grade Measuring Tool

This steel measuring tape is designed for durability and ease of use in demanding professional environments. It features a robust construction with high resistance against impact, ensuring a long service life. The integrated auto-lock mechanism allows for efficient, one-handed operation and precise length determination for a wide range of measuring tasks.

## Key Specifications

### Tape Length
