

Step-Over Frame City Bicycle

This bicycle is designed with a step-over frame, making it easy to mount and dismount. It is equipped with spoked wheels, curved handlebars, a saddle seat, and fenders.

Overview

Versatile City Commuter

This Step-Over Frame City Bicycle is designed for reliable urban commuting and recreational riding. Featuring a classic white frame construction with integrated fenders, it provides a clean and comfortable experience in various weather conditions. The ergonomic saddle and curved grips ensure a comfortable posture for daily travel or weekend leisure.
