

Step-Through City Bicycle

This step-through bicycle is designed for urban commuting and leisurely rides. It features a durable frame, front basket, rear rack and full fenders for all-weather protection.

Overview

Urban Mobility Redefined

This classic step-through city bicycle is engineered for effortless urban commuting and comfortable leisure riding. Designed with a durable frame and an upright riding geometry, it ensures a relaxed posture for the rider. The inclusion of essential accessories like a front basket, rear rack, and full fenders makes it a practical, all-weather solution for daily transportation.
