

Step-Through City Bicycle with Leopard Print Accents

This city bicycle features a step-through frame, mudguards, and a rear rack. It is designed with leopard-print accents on the mudguards and chain guard and provides a comfortable, upright riding position.

Overview

Urban Style Meets Comfort

This classic city bicycle is designed specifically for urban commuting and leisurely rides. Featuring an accessible step-through frame, it ensures easy mounting and dismounting for all riders. The design is highlighted by unique leopard-print accents on the mudguards and chain guard, blending practical functionality with a distinctive aesthetic.
