

Step-Through City Bicycle

This vintage-style bicycle has a cream-colored frame, brown leather saddle, and matching handlebar grips. It includes a rear rack and full fenders.

Overview

Classic Urban Mobility

This vintage-style step-through bicycle is designed for comfortable urban commuting and leisurely rides. Featuring a low step-through frame, it allows for easy mounting and dismounting, ensuring convenience for daily use. The bicycle comes fully equipped with a rear rack for utility and full fenders to protect the rider from splashes.
