

Step-Through Electric Bicycle with Basket and Rack

This electric bicycle has a step-through frame for easy access. It includes a front basket and rear rack for carrying cargo.

Overview

Designed for Utility and Ease

This electric bicycle features a convenient step-through frame design, ensuring easy mounting and dismounting for riders of all abilities. Equipped with both a front basket and a rear rack, it provides versatile storage solutions for daily commuting or errands. The integrated battery system offers reliable power assistance, while added safety features like front and rear fenders and a high-visibility headlight ensure a comfortable and secure ride.
