

Step-Through Electric Bicycle with Basket and Rack

This electric bicycle features a step-through frame for easy mounting and dismounting. It includes a front basket for carrying items and a rear rack for additional storage.

Overview

Urban Commuting Solution

This step-through electric bicycle is engineered for convenience, featuring an accessible frame design that simplifies mounting and dismounting. Equipped with both a front basket and a rear rack, it provides ample storage capacity for daily errands or commuting needs. The integrated electric system supports both assisted pedaling and full electric operation, ensuring a versatile riding experience for urban environments.
