

Step-Through Electric Bicycle with Storage

This electric bicycle features a step-through frame for easy access and comfortable riding. It is equipped with a front basket and rear rack, providing convenient storage for urban commuting and errands.

Product Overview

Designed for Practicality and Comfort

This step-through electric bicycle is engineered for effortless urban commuting and leisure riding. Featuring a low-frame design for easy mounting and dismounting, it prioritizes rider accessibility and comfort with a cushioned seat and backrest. The integrated storage solutions, including a front basket and rear rack, make it an ideal choice for daily errands and carrying personal items.
