

# Step-Through Electric City Bicycle

This electric bicycle features a step-through frame for easy mounting and dismounting. It is designed for comfortable city riding with an upright seating position and classic styling.

## Overview

### Classic City Commuter

This step-through electric city bicycle combines vintage aesthetic charm with modern electric mobility. Designed for comfort and ease of use, the low-frame geometry allows for effortless mounting and dismounting, making it ideal for urban commuting. With its classic chrome accents and ergonomic upright handlebars, it offers a stylish and relaxed riding position for city navigation.
