

Step-Through Electric City Bicycle with Basket

This electric bicycle features a classic step-through frame, finished in a light pink color. It includes a front basket, front and rear fenders, and a rear rack for added utility.

Overview

Designed for Urban Commuting

This step-through electric city bicycle combines convenience and style for daily urban travel. Featuring a low-frame design, it ensures easy mounting and dismounting, making it suitable for a wide range of riders. Equipped with essential utility features like a front basket and rear rack, it is an ideal solution for errands and light cargo transport.
