

Step-Through Electric City Bicycle with Basket and Cargo Rack

This electric bicycle features a step-through frame for easy mounting and dismounting. It is equipped with a front basket and rear cargo rack, making it suitable for city commuting and errands.

Overview

Efficient City Mobility

This step-through electric city bicycle is designed for convenient urban commuting and daily errands. Featuring a compact frame, it integrates a front basket and rear cargo rack to maximize utility for riders. The electric motor assistance provides an eco-friendly and efficient alternative to traditional transport, combining standard bicycle components with modern electric performance.
