

Step-Through Electric City Bicycle with Basket and Rack

This electric city bicycle features a step-through frame for easy mounting and dismounting. Equipped with a front basket and rear rack, it is designed for convenient urban transportation.

Product Overview

Urban Commuter Design

This step-through electric city bicycle is engineered for convenience and comfort in urban environments. Featuring a low-frame design for easy mounting and dismounting, it includes a practical front basket and a rear rack for carrying daily essentials. The integrated battery system and commuter-focused geometry make it an efficient solution for city travel.
