

Step-Through Electric City Bicycle with Cargo Rack

This electric bicycle features a step-through frame for easy mounting and dismounting. It includes fenders, a rear rack, front and rear lights, and a comfortable upright riding posture.

Overview

Designed for Urban Commuting

This electric city bicycle features a convenient step-through frame design, allowing for effortless mounting and dismounting in busy urban environments. Built with a focus on comfort and utility, it offers a traditional upright riding posture and comes equipped with a practical rear cargo rack. Safety and convenience are prioritized with integrated front and rear lighting systems and protective fenders, making it an ideal solution for daily commuting.
