

Step-Through Electric Scooter

This electric scooter features a step-through frame for easy access and a comfortable riding position. It is equipped with a rear luggage rack and is suitable for urban roads.

Product Overview

Urban Commuter Electric Scooter

This step-through electric scooter is designed for efficient urban mobility, featuring a user-friendly frame geometry that allows for easy mounting and dismounting. Equipped with a reliable motor and essential safety features like a bright headlight and rearview mirrors, it ensures a safe and comfortable ride. The integrated rear luggage rack provides practical utility for daily commuting needs, making it a versatile choice for city transportation.
