

Step-Through Frame Adult Bicycle

This adult bicycle features a 20-inch steel frame with a step-through design for easy access. It is equipped with a rear coaster brake and air-filled tires for a comfortable ride.

Overview

Comfortable Step-Through Design

This adult bicycle features a user-friendly step-through frame design, making it exceptionally easy to mount and dismount. Engineered for a comfortable, upright riding position, it is ideal for leisurely rides and urban commuting. The construction combines durability with safety features, including a chain guard and protective fenders, ensuring a clean and reliable riding experience.
