

Step-Through Frame Children's Bicycle

This bicycle is designed for young riders with a step-through frame. It features white tires, a white seat, and white pedals, complemented by blue accents on the frame and rims.

Product Overview

Designed for Young Riders

This children's bicycle features a convenient step-through frame, making it easy for young riders to mount and dismount safely. The design combines functionality with style, featuring a clean blue and white color scheme adorned with decorative floral patterns. Built with safety in mind, it includes a protective chain guard and high-visibility white accents.
