

Step-Through Frame City Bicycle

This city bicycle features a step-through frame, allowing easy mounting and dismounting. It is equipped with mudguards, a rear rack, and integrated lighting.

Product Overview

Classic Urban Mobility

The Classic Oma bicycle is a traditional Dutch-style bicycle designed for comfortable and practical urban transportation. It features a step-through frame for easy mounting and dismounting, making it suitable for riders of all ages and abilities. The upright riding position promotes good posture and visibility, while the durable steel frame ensures long-lasting performance for daily commutes.
