

Step-Through Frame City Bicycle

This city bicycle has a step-through frame for easy mounting. It is equipped with full fenders, a rear rack, a sprung saddle, and a front dynamo-powered headlight.

Overview

Designed for Urban Commuting

This classic city bicycle features a user-friendly step-through frame design, allowing for effortless mounting and dismounting in busy urban environments. Built for practicality and comfort, it comes fully equipped with essential utility features including a rear rack, full fenders, and a chain guard to protect your clothing. The inclusion of a sprung saddle and a dynamo-powered headlight ensures a comfortable and safe ride for your daily commutes or leisurely trips.
