

Step-Through Frame City Bicycle

This bicycle features a step-through frame, ideal for city commuting and leisurely rides. It is equipped with a sprung saddle and rear rack.

Product Overview

Designed for Urban Comfort

This step-through frame city bicycle is engineered for effortless commuting and leisurely urban rides. Featuring an upright riding position and a comfortable sprung saddle, it prioritizes rider ergonomics and ease of use. Equipped with practical accessories like a rear rack, full fenders, and a chain guard, it is a reliable choice for daily travel on paved surfaces.
