

Step-Through Frame City Bicycle

This bicycle features a step-through frame, making it easy to mount and dismount. It is equipped with fenders, a front rack, and a comfortable saddle, suitable for urban commuting or leisure riding.

Overview

Urban Mobility Solution

This light blue city bicycle features a convenient step-through frame design, making it an ideal choice for urban commuting and leisure riding. Engineered for simplicity and comfort, it includes an upright riding posture and smooth-rolling tires optimized for paved surfaces. The bike comes fully equipped with essential accessories like fenders, a front rack, and safety features for a reliable daily ride.
